MOS

Compute auto-scaling initiated for base tier

INFO

Alert Details

CREATED 2026/01/01 20:31 GMT
CLUSTER mos-maintenance-mvp

Your Atlas cluster, mos-maintenance-mvp, has exceeded 75% CPU usage for the past 1 hours as of 3:31 PM EST on 2026/01/01. Atlas has begun to automatically scale your base cluster's tier to M20. No further action is necessary.

The base cluster tier for mos-maintenance-mvp will be scaled; however, the tier for this cluster is at the maximum tier defined for compute auto-scaling. Please consider increasing the maximum tier to allow for further compute auto-scaling.

M10 → **M20**

As a result of this change in base cluster tier, the total hourly rate for mos-maintenance-mvp has increased from \$0.08/hr to \$0.20/hr.
